

# How to build *a* **SIDE HUSTLE STACK** when you have a full time job?

**1**

## **IDENTIFY YOUR SKILLS AND INTERESTS.**

The first step in creating a side hustle stack is to identify your skills and interests. Think about what you enjoy doing and what skills you have that can be monetized.

## **RESEARCH DIFFERENT SIDE HUSTLES.**

Once you have identified your skills and interests, it's time to research different side hustles. Look for opportunities that align with your skills and interests and that have the potential to generate income.

**2**

**3**

## **CHOOSE THE RIGHT SIDE HUSTLES FOR YOU.**

Consider the amount of time you have available to dedicate to your side hustles, the level of skill required, and the earning potential.

## **SET UP YOUR SIDE HUSTLES.**

Once you've chosen your side hustles, it's time to set them up. This may involve creating a website, setting up social media accounts, and establishing a system for invoicing and payments.

**4**

**5**

## **MARKET YOUR SIDE HUSTLES.**

Marketing is essential for attracting clients to your side hustles. Use social media, email marketing, and word-of-mouth to promote your services or products.

## **PROMOTE YOUR SIDE HUSTLES.**

Consider expanding your services or products, networking with other professionals in your industry, and seeking out new opportunities to generate income.

**6**

**7**

## **GET THE BENEFITS OF YOUR SIDE HUSTLES.**

A side hustle stack can provide numerous benefits, including increased income, improved work-life balance, and the ability to pursue your passions. It's possible to build a successful and rewarding side hustle business.
